

## NEW PLYMOUTH STEEL SUPPLIES LTD

### Paint

#### Galmet Cold Galvanizing

An organic zinc-rich coating that provides long term protection to steel against rust and corrosion. This is due to the cathodic (galvanic) action between the steel and the metallic zinc in the coating. This action prevents rust from developing under Cold Galvanizing.

#### **Applications:**

- Welds & damaged galvanising
- Steel structures      - Wrought Iron
- Tank exteriors      - Ducting
- Trailers

#### **Features:**

- Surface tolerant
- 92% zinc metal in dry film
- Provides long term corrosion protection
- Available in brush, roll or spray

#### Galmet Industrial Thinner 400D

A slow evaporating thinner with strong solvent action for spraying and clean up of Galmet Cold Galvanizing products.

#### Galmet Spray Paint - Silver

A fast-dry, high gloss steel and structural enamel used as a general purpose industrial finishing coat. It is formulated to provide a tough exterior coating for the protection of metal surfaces using air or airless spray equipment.

#### Metalshield - FD ZP Primer

**Rapid Dry** - Quick turn around time for applicators

**High Zinc Phosphate level** - Provides excellent corrosion protection

**Chromate free** - Does not contain zinc chromate pigments that may cause cancer

**Single pack product** - Simple to apply and maintain

Light Grey

4 Ltr

#### CR Reducer

Spray and brush thinners

4 Ltr

## Prolan - Protective Lanolin

***Formulated from a blend of natural lanolin to penetrate and protect metals from corrosion and provide lubrication to moving parts.***

- Provides a surface coating that will deflect moisture and oxygen from forming corrosion.
- Inhibits electrolysis caused by dissimilar metals
- Inhibits oxidization and salt crystalization.
- Will remain pro-active and not evaporate or leach off.
- Impervious to mineral acids, salt and sulphur compounds
- Impervious to mineral acids, salt and sulphur compounds

### **Prolan protects and lubricates:**

- All metal surfaces - Heavy Machinery - Chains, wires, ropes, & cables
- Aqua culture nets & accessories - Industrial machinery & equipment
- Marine hardware, including internal areas, motors, trailers & hulls
- Timber & agricultural machinery & equipment - Insulates ignition systems.

---

## Ceelon Threadseal Tape

***Fast, clean leakproof sealing on all threaded joints***

- Lubricates
- Vibration resistant
- Non-seizing

12mm Red = 10m x 12mm x .075mm  
18mm Blue = 12m x 18mm x .075mm  
24mm Green = 12m x 24mm x .075mm
